RIDE VELOCITY

On October 7, 2018 join us on a journey that begins in the beautiful Hudson Valley and gains momentum as more riders merge in to cross the finish line and celebrate together at Columbia's Herbert Irving Comprehensive Cancer Center (HICCC).

Choose from four distances: **62.5, 45, 25, or 10 miles.** Velocity is a ride for everyone - bring your friends and family, join our Pedaling Past Pancreatic Cancer Team or start your own!
